CITY OF OULLINS
MAYORAL DECREE

Subject:

Regulation on the installation of mobile telephone base stations in proximity to schools and crèches

DECREE APPLICABLE WITHIN THE URBAN DISTRICT

We, the Mayor of Oullins:

In view of the constitutional law n° 2005-205 of 1 March 2005 concerning [the Charter of the Environment](#);

In view of the code concerning local government districts, in particular articles L. 2212-2 and following;

In view of the interministerial circular of 16 October 2001 concerning the installation of mobile telephone relay antennas;

In view of the annual report for 2002 of the National Observatory for the Security of School and Higher Education Establishments;

In view of [the resolution](#) of the European Parliament of 4 September 2008 on the mid-term evaluation of the European Plan of Action on Matters of Environment and Health 2000-2010;

Considering that in the present state of scientific knowledge, doubts persist as to the potential harmfulness of electromagnetic radiation emitted by mobile telephones and their relay antennas:

Considering that among the categories at risk are children who are liable to be exposed as a result of the installation of mobile telephone relay antennas close to the establishments they attend;

Considering that in application of the precautionary principle there is reason to take preventive measures;

WE DECREE:

Article 1: Any new installation of a mobile telephone base station is forbidden if [the main transmission beam](#) is sited less than 100 metres from the buildings that receive children permanently or occasionally (crèches, schools).

Article 2: The relay antennas presently in place and which are sited within the area defined in article 1 must be clearly identified. The telephone operating companies responsible will be required to guarantee that the electromagnetic emission in the zone specified does [not exceed 0.6 V/m](#).

Article 3: A certified copy of the present decree shall be sent to the Prefect in charge of the police, the principal Commissioner of the town of Oullins, the municipal police officers and every officer of public order responsible, each in their respective areas, for the execution of the present decree.

Carried out at Oullins on 8 April 2009
